## **Presidents' Message**

Spring is here, and the recent rains should provide a beautiful show of wildflowers in our area. Speaking of flowers, our April 14th meeting will be informative as Steve McShane from McShane's Nursery in Salinas gives a talk and demo on planting. He is also donating some plants for our raffle. It should be a perfect afternoon to relax, socialize, enjoy ice cream and pick up some good books to read. Hope to see you at our next to last meeting of the year!

## RIF NEWS

Even though the three RIF Distributions are finished for this school year, there is still much to do, and, YES, you can be a part of these upcoming RIF Projects. The RIF coordinators are planning to get together in late May to discuss the future of RIF. We do know that our federal funding is gone. We, however, have been told that once again we will be part of the summer Macy's Share program. Here is where you can be involved. From the middle of June through the month of July, we will be visiting the Macy's store in Del Monte to help promote our local RIF program. As you recall in the past three years, this campaign has given our program over \$25,000.

Would you like to help with the campaign this summer? Please let either Barbara Sovereign or Norma Voth know of your willingness to help. The DKG members who have helped in the past have been wonderful and report that it is truly a delightful thing to do. In fact several of these same DKG members have indicated that they are wanting to help again this year. Here is your chance to also become involved.

Even though our plans for RIF distributions next year have not been finalized, we will be continuing our program as close to the same level as we have in the past. Thanks for all the support.
