### President's Message

We started 2011 with our awesome birthday dinner/auction. Big thanks to all of you: planners, donators, gatherers, supporters, speakers, and Kristin who always gives us a grand night of food and fun. We sold the items and made money for RIF, Scholarship and Grants.

The presidents met last month and plans are in the works for the fall Area V Conference. Money is available for the Chi State Convention and the Legislative Session. Get your applications in now.

Bunco Night is coming soon. Invite guests and pass the word to friends and family. The \$100.00 top raffle prize is very inviting.

Karen Crummey

It's hard to believe that we're not in summer mode with the glorious weather we've been lucky enough to have these last couple of weeks. Our annual Birthday Celebration was another great success thanks to Kristin Searle and her fabulous committee! Thank you to those of you who attended, brought guests and bid on the many wonderful auction items. At the upcoming February meeting we will be voting on new members. Plan to attend if you can. And if you haven't been to a Chi State Convention, you might consider attending this year as it will be in Sacramento.

Hope to see you all at our Feb. meeting.

Claudia Coury

## RIF News

Our program was given \$1000 to purchase books from First Book Marketplace. Norma and Barbara put an order together from this company. The plan is to give these books to the classroom teachers in our RIF Schools to add to their classroom libraries in grades K-3. They will be given to them at our last distribution this school year.

## Save the Date!!!!!!

Chi State Convention is to be held in Sacramento, Ca. April 29 - May 1. Members can apply for funds from the Mary Marchi Fund but their application must be in by Mar. 1, The President has to sign the application, so bring it to the February meeting. You can find more information about the Chi State Convention on the Chi State Website.

# A Fabulous Birthday Celebration!

What an exciting night Jan. 26th turned out to be! The silent auction raised \$2,589 that will be used for grants, scholarships and supporting RIF.

We all enjoyed having Patty Fernandez and Estefania Cabrera share their stories about the importance of Girls Inc.

A special thank you was bestowed upon Nancy Durein for her great work as our past president by our current presidents, Claudia Coury and Karen Crummey.

## Birthday Dinner Thanks!

A very BIG thank you goes to the Delta Lambda Birthday Dinner and Silent Auction Committee for the superb job that they did to make it such a successful event: Dorothy Becker, Betty Ann Campbell, Bonnie Clark, Leslie Epps, Sally Shafer-Harr, Bette Hinton, Jennifer Hinton, Kathy Knight, Stephenie Meroney, Julie Montero, Michelle Neuhaus, and Gloria Souza.

And to our advisors: Claudia Coury, Karen Crummey, and Nancy Durein. Thank you very much for a job well done!

She is pictured here with baby gifts for Hayden Dean that were given to her from her Delta Lambda sisters. Laura helped by reading to the students. They were very happy to see her.
