Presidents' Message

Dear Delta Lambda sisters ~

Many of us were delighted by the January 25 Birthday celebration, where we had Lion Dancers, Tai Chi instruction, a delicious Chinese lunch, background music, and more enjoyable surprises.

We thank the committee once again. As you may already know, we made a good profit from the contributions made that day, but if you are so inclined, you can add to our funds. This money goes to our various projects including RIF, Girls' Inc. and LIFE. Elsewhere in this newsletter, you will find an address to send your contribution if you wish, and you have our great thanks.

Judy Kuwatani, a library aide at JC Crumpton received the award for Service to the Community.

Kathy Knight and Cathy Findley will be honored at our **March 7 voting meeting** for their contributions to the Chapter and to the Profession. We will also have time for individuals to speak about their particular interests in other service and charitable activities.

On **April 7**, we will have an opportunity to make another museum visit. More details about these upcoming events will be provided in an evite.

And finally, we want to thank all of you for your kind participation and willingness to serve in so many capacities in this chapter. It keeps all of us moving forward.

Co-presidents Ginny and Bonnie

Holiday Party

Thanks to the committee for a lovely Holiday Party. We met for lunch at Del Mesa dining room and moved to the library for activities. Our December 7 Holiday meeting included a delicious lunch at Del Mesa in Carmel Valley. The glass of champagne added to the festive nature of the meeting. Dorothy Becker and her committee provided a lovely setting. Lunch was followed by a general meeting with reports from various committees and some discussion. Camille Liscinsky and friends provided entertainment with an interactive Christmas play that Camille brought for us to perform that was written by Donna Bessant.

Delta Lambda Longevity Pins Awarded

We are proud to announce that six of our sisters earned longevity pins in 2019. For those in attendance, the pins were awarded at the December Holiday meeting.

These pins are awarded for every ten years of membership in our organization. A ten year pin was earned by Betty Ann Campbell, Charlene Lowery, Laura Thorpe-Southerland, and Bonnie Yoshinobu, twenty year pin by Marsha Leadingham, and a forty year pin by Phil Smith.

Congratulations to these sisters for their many years of support and dedication toward women educators.

In Memory of Marjorie Troutman

Marjorie Troutman, beloved Delta Lambda member since 1990, succumbed to a stroke on January 18, 2020. Due to poor health, the last two years were a challenge for Marjorie, but in her indomitable way, she was in control until the very end. Marjorie was born in Hawaii and was sent to live with an aunt in California when war was declared with Japan. One of her fondest memories was returning to Hawaii via ship with many other children. They were met with a hero's welcome, a moment she never forgot.

With a master's degree from Stanford University Marjorie embarked on a long career in special education. A fellow teacher noted that during Marjorie's tenure, she was lauded as a supportive teacher, wise and pragmatic with her students, and demonstrated a real understanding of their educational needs.

In addition to teaching for Sunnyvale and M.P.U.S.D, Marjorie's commitment to civic duty was evident. She served as president of the following: American Association of University Women, Monterey State Park Historic Association and Rape Crisis Center. She also served as Chairman of the Grand Jury and completed three terms on the Monterey Peninsula School District Board.

ROSE REPORTERS READY TO RETIRE

Our two wonderful Rose Report gals, Ellen Maupin and Ann Ostenso are ready to retire! We thank them for doing such a wonderful job for the past eight years. We hope one or two of you tech savvy people will step up to the plate. There is already a template set up. The Rose Reporter takes pictures with the help of others, goes to board meetings and writes up articles on events, gathers articles from other members, sends the electronic copy to our membership, and prints and sends hard copies to about five members.

Convention News

The DKG convention will be held in Santa Clara on May 1-3. Registration is now available at the DKG California web site. If you are applying for Mary Marchi scholarship funds to help defray your costs the application can be found on our Delta Lambda website and must be submitted by March 1. Our area is in charge of registration and Kathy Morgan is in charge of the store. We need help in both areas. When you register you will be able to check the box you wish to volunteer for.

Great news! from Nancy Durien

The weekend of your stay is looking light in occupancy in the area, and we reviewed the contracted rate and have decided to lower the DKG rate to \$140 per night (not including taxes and fees). We will also work on updating existing reservations and changing them to the \$140 per night rate.

Penne Ferrel Award

Co-president Bonnie Yoshinobu presented Allyssa Mah, a Fourth Grade teacher at Del Rey Woods Elementary School, with this year's Penne Ferrell Grant for being an outstanding new teacher.

Congratulations to Allyssa!

Help Needed Kathy Morgan is the site captain for the Monterey County Food Bank food distribution program that takes place the first Friday of each month from 9:30-11:00 in the parking lot of Shoreline Church on Garden Road by the airport. She is looking for an assistant. If you are interested in helping out, please contact her for details about the simple responsibilities of this 2 hour a month volunteer opportunity.

Program and Meetings Update

You may remember this paragraph from the October Rose Report:

Charities and Philanthropy - Many of us are involved in several worthwhile organizations, which reflect the purposes of DKG (*uniting women educators, honoring women for service in education, advancing women educators, supporting legislation and other endeavors of interest to women educators, scholarships for women educators, stimulate professional growth of women educators, inform members of current issues*), we would love to have members share their interests at each meeting.

Well..... **Saturday, March 7 starting 11:30 am at Lugano's Swiss Bistro**, in the Barnyard, we will be eating, voting and ALL of us will share our volunteering experiences which support the DKG purposes! This is a great opportunity to find out more about our members' interests, passions - we also might find something new that we might help the world.

Please RSVP by Evite or email Cathy Findley – with your meal choice by March 1st (choices are pork schnitzel, grilled salmon or vegetarian platter).

Our April 4th meeting will be another outing at the Monterey Museum of Art with our favorite docents, Betty Aynaga and Ellen Maupin followed by an optional lunch and/or drop in at the Monterey Jazz Festival Next Gen Festival.

Help needed: If you have access to a room or venue for a meeting, or if you know of an inexpensive space for 40-100 people, please forward any information to Cathy Findley.
