### Presidents' Report

It's the start of New Year 2011. Hope you had a relaxing holiday season and are ready for our major fund raising auction. Now is the time to gather those special items, gift certificates, and invitations for friends and family to join us at Rancho Canada to celebrate Delta Lambda's Birthday. We have so much to celebrate—94 committed chapter members, a large group of lunch going Funsters, bunches of devoted RIF volunteers, a hard working board, lots of creative event committee leaders and helpers, many generous donors from our group and the community and the love and support from all our DKG sisters. So let's celebrate our good work and good times and start off the New Year on January 26 with another great fun filled event.

Karen Crummey

Happy New Year to all of you and your families. This can be a wonderful time of year as we emerge from the holidays, hopefully refreshed and ready to tackle the new year! We have a busy spring planned, stay tuned; but first our annual birthday celebration which is a member favorite. A friend sent me this quote by Dag Hammarskjold. "For all that has been, thanks. For all that will be, yes".

## Staples Gift Cards

Each of our full time working members received a \$40 gift card for Staples, our part time working members received \$20, and our on duty administrators received bouquets. These were sent by our membership to honor those still working through these hard times and as tokens of our support. Keep up the good work. We are behind you!!

## Outstanding Student Teacher Award

Once again the Delta Lambda chapter of the Delta Kappa Gamma Society International is seeking nominees for this year's Outstanding Student Teacher Award. This award supports one of their goals, to encourage excellence in the teaching profession. Each year the seventeen Chi State Areas are asked to select one candidate from their area to receive the award. The recipient receives \$150.00, an award certificate from Chi State, and a letter of commendation to the recipient's college/university file. It is vital that we continue to recognize talented people who choose a career as a teacher. If you have a candidate in mind, or know a teacher who might recommend their student teacher, please contact Marilyn Whitcomb by email at [whitcomb@dkgs.org](mailto:whitcomb@dkgs.org) by **January 31** for an application.

NOTE: This award is separate from the New Teacher Recruitment Grants our local chapter gives later in the spring. We will be asking for nominations for these grants in March.

## And a Merry Time was Had by All!

A HUGE thanks to the Xmas tea committee; Donna Bessant, Ann Ostenso, Mary Marchi, Alice Stoll, Ginny Towle, Pat Gotch, Ginny Hall and Kristin Searle and to those who shared their terrific book ideas. We collected loads of wonderful children's books which were delivered to the Women's Shelter at Fort Ord. The Salvation Army food barrel was overflowing with contributions from our members.

Tasty treats and time to visit seemed to put a smile on everyone's face. We are all very thankful to Marilyn McMasters for sharing her beautiful home.
