Presidents' Message

We are off to a great year! The turnout at our Kick Off Meeting on August 25th at the Markham Ranch Clubhouse was excellent. Kudos to Carole Johnson and her committee for organizing this meeting and serving such a delicious luncheon (and morning refreshments, too)!

October is a very busy month for Delta Lambda:

This Friday, October 5th, we will have our annual Bunco Fundraiser at the House of Four Winds in Monterey. Under the expertise of JoDee Krebs and Anna Panetta, this fundraiser is always a lot of fun! Please come and support our Delta Lambda projects.

Our next meeting will be on Wednesday, October 10th, at the Pebble Beach Community Room. The Souper Supper Meeting, organized by Linda Brandewie and Kathy Knight, has been a very popular one these past few years! This year, we will be viewing a travel slideshow of Burma/Myanmar given by Ginny Hall, Kathy Knight, and Marilyn Whitcomb, who traveled there earlier this year. It should be very interesting!

And, on Saturday, October 27th, our Area V Conference, under the direction of Claudia Coury and Karen Crummey (and other chapters' past presidents), will be held at St. Paul's Church in Salinas. Delta Lambda members receiving chapter awards at this conference are Claudia Coury, Marsha Leadingham, and Phil Smith. And members receiving longevity awards are Dorothy Becker, Mary Marchi, and Barbara Hill. Congratulations to these Delta Lambda members!

Please remember that all of these events this month are great opportunities to bring guests, so this is a good time to be thinking about future Delta Lambda members!

Here is our membership application form (due by February 15, 2013):

We feel very fortunate to be heading up the Delta Lambda Chapter in Area V of Chi State (California) in the Delta Kappa Gamma Society International. This is a vibrant chapter filled with dedicated members/volunteers, who exhibit much pride and enthusiasm for this chapter! Thank you!

We are deeply saddened by the passing of Tootie Denahy on September 22nd. Tootie was a dedicated member of Delta Kappa Gamma for 39 years in both southern California and here on the Monterey Peninsula. She was also a very enthusiastic RIF volunteer. We will miss her very much.

Linda Foy and Kristin Searle

Pat Gotch, Adrienne Jensen, and Leslie Geyer receive their ten year longevity awards at the August meeting.

At lovely morning at the Markam Ranch., Delta Lambda members participate in a renewal of our seven purposes.

*Dear Committee Members,
I would like to thank each of you for your time and efforts in helping to make our first meeting of the year such a success: Betty Aynaga, Maureen Baroni-Boogay, Betty Ann Campbell, Pat Gotch, May Higuera, Adrienne Jensen, and Corinne Long.*

The salads were delicious, breakfast and dessert items yummy, and the plants from your homes made for attractive table centerpieces. Thank yous also go out to Kathy Caves, Sherry Petitt, Linda Foy and Kristin Searle for all their help and support with this special event. And... special "kudos" to Vanessa Bredthauer for a beautiful E-vite. Again, I appreciate all your help in making our luncheon meeting such a wonderful affair.

Sincerely,

Carole Johnson

Carole Johnson, Betty Anaga, Adrienne Jensen, Betty Ann Campbell, and Pat Gotch receive a thank you for lunch.

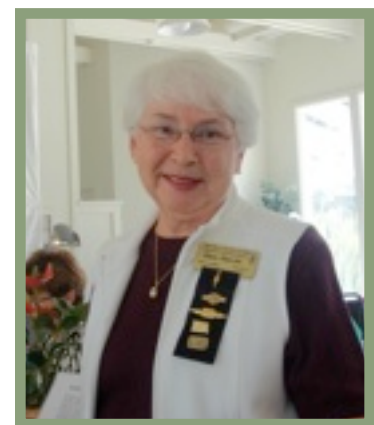

Future Delta Lambda Members

The August meeting at Markam Ranch gave everyone a chance to see friends after the summer break. Remember that Bunco, the Souper Supper and the Holiday Party are great occasions to bring prospective members to a gathering. Included with this Rose Report is a membership nomination form (page 8). You can also download one or more from:

Eileen "Tootie" Denahy

A long time member of DKG since 1973 Tootie died Sept. 22, 2012 at Community Hospital of the Monterey Peninsula. She held many offices in our organization in different chapters throughout California. She was the consummate helper-volunteer to DKG and many other worthy causes in our community and California throughout her life.

A wonderful cookie baker, she contributed continuously to Sunday morning coffee hours and many other special occasions at Church in the Forest and to many other organizations to which she belonged. We would find her working at fundraisers for our chapter every year. Her time, enthusiasm, faithfulness, and genuine friendliness and kindness to others will never be forgotten. One example was during the January 4th devastating storm of approximately five years ago, Tootie was one of the very few people who were out and about getting things "done", such as her weekly hair appointment at the beauty shop for which she was very dismayed to find - was closed! She tried 1 or 2 other businesses. From there, finding her electricity off at home, she left to meet us for Altar Care at the Church in the Forest, only to find we were locked out and no one stirring. We headed back to her cat at home alone (of major concern) to find electricity on and cat very content. She was very happy - except with her hair.

Tootie was so committed to helping others and being involved and counted on for these contributions that it kept her active all of her life to the very end of it on earth. It was the spark that kept her going, as well as her friends, by her example.

Christine Warde Co Membership

I was born in Columbia, Mo and raised in Girard, Ohio. My mother and 3 brothers live in Ohio and VT.

I retired in Nov., 2010 after 32 years in the wonderful field of speech therapy. I received my BA at [Ohio University](#) in 1972 and my MA at San Jose State U. in 1985. I also have my Certificate of Clinical Competence (ASHA) and California license. I retired from MPUSD and my favorite school was Marshall. Such professional and fine staff!! I was very happy in that assignment.

I have been married to my wonderful husband, Kenny, for 15 years. We met at a CSHA Convention in 1991 and we married in 1997 on the beach in Maui. He is also a Speech Language Pathologist and graduated from SJSU as well. We have no children.

My retirement activities include my private practice in speech therapy, traveling, volunteering at Cooper Museum Store, hiking, Jazzercise, and Zumba.

Nancy Henderson

Recording Secretary

I was raised as an "Army Brat". Our family spent a great deal of time traveling around the United States and the World. When my father retired we settled in Southern California where I attended college. After teaching 3 years, my wanderlust kicked in and I traveled to Germany to teach elementary school for the Department of Defense. After 2 years there I landed here in Monterey where I taught for 30 years at Bay View Elementary School before retiring. During this time I raised one son Andrew who now, with his family, lives in Minneapolis, Minnesota. My grandson Jacob is the love of my life and just too far away. As MPUSD began to make plans to close Bay View School a group of very committed parents, teachers and community members began to make plans to design a charter school and thus Bay View Academy was born. I think for many teachers the chance to be a part of designing a school is a dream come true. That chance has given my retirement a complete purpose. My love of teaching and the chance to have a voice in the creation of Bay View Academy has been my "dream come true".

DID YOU KNOW?

The Delta Kappa Gamma Society was founded on May 11, 1929, at The University of Texas in Austin, Texas, by Dr. Annie Webb Blanton. Dr. Blanton conceived the idea of an organization for women educators. The founding group of twelve women educators represented a cross-section of the teaching profession: a grade school teacher, a dean of women, three high school teachers, three elementary school principals, and four college professors. The Founders believed that there was a need of an organization in which women educators might be united for efforts toward better professional preparation, recognition of women's work in the teaching profession, and scholarships for those needing aid in improving their professional preparation. The 5th purpose (of our Seven Purposes) states: To endow scholarships to aid outstanding women educators in pursuing graduate study At our meeting on August 25th, we said that we would get scholarship information out to you, so if you are interested in pursuing a scholarship, here is the information that you need:

A Worthy Cause Needs Your Help

I am collecting gently used children's books for a book give-away as part of Lifeline Community Day. If you have any books that your children or grandchildren have outgrown please bring them to The Souper Supper or contact me and I will pick up any books you no longer need. Also if you would like to work an hour or so giving away these books to other children, contact me.

Lifeline Community Day on Saturday, November 3 at the Barnyard in Carmel from 11:00 am to 4:00 pm will join the arts and family service organizations to provide a fun environment for all ages to explore the needs of children and to address and advocate for human dignity and protection of the rights of children. Five visual artists will exhibit at the Carmel Art Institute, opening October 26 and continuing until November 11, and showing multimedia works presenting uplifting images of boats as safe havens for children. That Saturday there will also be group projects of a Paper Doll Wall and a Weaving Family Ties boat.
