Presidents' Message

If it's Tuesday, this must be Belgium! Suzanne and I were just commiserating about the whirlwind of events over the past few weeks. We started October with an amazing afternoon of Bingo, our first try with a new fundraiser. A week later we joined 80 of our DKG sisters for a wonderful morning of fellowship at the Area Five Conference. Then on to the Steinbeck Museum in November to learn more about one of Monterey County's most famous authors, followed by a delightful lunch at the Steinbeck House. And now, we look forward to our holiday meeting on December 3. We hope to see you at this festive event when, no doubt, Donna Bessant and her "elves" at Hacienda will make it a day to remember.

In the meantime, may you all enjoy the upcoming Holidays. Tis the season!

Fondly,

Gayle and Suzanne

Area V Conference Empower Through Reading

The Area 5 annual conference held at Bayonet Golf Club was deemed a big success. Over 80 DKG members were in attendance, including 26 members from Delta Lambda. The day's festivities featured keynote speaker, Barbara Greenway, founder of the Read to Me Project. A big thank you to Cindy Cardinale and her committee (Sally Eastham, Suzanne Siegelman, Charlene Lowery, Gayle Paul) for the 'book' birdhouse displays that so beautifully highlighted the reading theme.

Area 5 awards included our very own Karen Crummey who received well deserved recognition for Service to the Area. Delta Lambda chapter awards were presented to Diane Butler (Service to the Chapter), Arlene Krebs (Service to the Public), and Carole Johnson and Gayle Paul (Service to the Profession.) Longevity awards were presented to Trudy McEwen (40 years), Barbara Hill (47 years), and Dorothy Becker and Mary Marchi (49) years.

All proceeds (\$1,395.00) from this worthwhile conference are donated to the Mary Marchi Professional Fund. These funds are made available to DKG members who wish to attend state and international conferences as well as leadership training.

Steinbeck Adventures: the Museum and the House

The Docent gave us lots of interesting information before we began our tour of the museum.

On November 4th twenty six members enjoyed the Steinbeck Museum tour and lunch at Steinbeck House. Everyone had a great time! A big thank you to my committee members Barbara Hughes, Betty Aynaga, Mickey Miyamoto, Marjorie Troutman, Kathryn Knauf and Nancy Durein. Barbara Hughes was my co chair.

Bingo a Big Success

If you didn't have the opportunity to join us for bingo on October 16, don't miss the next bingo event. What a fun afternoon for all involved. Thanks to May Higuera , Marijane Flagg and their committee (Jackie Munoz, Rena DiGirolamo, Wendy Milligan, Maureen Baroni-Boogay, Kate Wood, Karen Crummey), bingo was a huge success. We enjoyed a delicious lasagna lunch with a plethora of prizes and silent auction items. We raised over \$2,000.00 for RIF. An especially big Thank You to the Moose Lodge for hosting this wonderful event.

Anna Panetta

DKG Member 1983 – 1016

On September 7, Delta Lambda lost our beloved sister – Anna Panetta. Anna joined DKG in 1983 and was actively involved in our chapter for the next 33 years. She served in a number of capacities including serving as co-president with her best friend, Jo Dee Krebs. In addition to being a devoted teacher for 35 years, Anna also made major contributions to the community including being part of the startup of My Museum for Children.

Many of us remember her beautiful smile when she greeted visitors at the information desk representing the CHOMP Auxillary. She was deeply devoted to her family and enjoyed a large circle of friends.

A ceremony of remembrance will be celebrated at our December 3rd meeting.

To Whom It May Concern Delta Lambda is the local chapter of the Delta Kappa Gamma Society International, the largest organization of women educators in the world.

- Our mission is to promote professional growth of women educators and excellence in education.
- The Delta Lambda Chapter will be **holding a silent auction** at its fundraising event on **January 28, 2017 to benefit the following projects:**
 - Reading is Fundamental (RIF)** is the oldest and largest children's nonprofit literacy organization in the United States. RIF's highest priority is reaching children in kindergarten through fifth grade. All RIF programs combine three essential elements to foster children's literacy: reading motivation, family and community involvement, and the excitement of choosing free books to keep. The members of Delta Lambda raise money to purchase books for six elementary schools on the Monterey Peninsula. Delta Lambda volunteers read to every kindergarten through third grade class at these six schools and assist the students in selecting a book to keep as their own.
 - Girls Inc.** is a national organization that provides programs focused on leadership and self-empowerment for girls ages 9 to 18. Girls Inc. of the Central Coast benefits from the grants given by our chapter. Each year, Delta Lambda provides the funds to send two incoming high school freshmen girls to the Smart Choices Summer Program at CSUMB. This program helps local girls pursue higher education, explore their potential for leadership, and make smart choices for a future of great possibilities.
 - Grants-in-Aid** provide help to new teachers. Each year, Delta Lambda awards grants of approximately \$500 to four women entering the educational profession.
- **We hope you will consider joining many local businesses and organizations by helping us with a silent auction donation.**
- ***Together we can make a difference.***
