**President's Message**  
*By Cathy Findley*

Greetings Lovely Delta Lambda members!

I want to thank the Nancys (He & Ho) for their perseverance and going with the flow of ever changing rules and illnesses which resulted in ever changing meeting times and locations – and they seem to still be in good spirits! – Amazing. They did not let us down but kept going. I hope that I can accomplish as much and not offend everyone in the process.

Since you have chosen me to be the pres., but I don't know all of you very well, I wanted to tell you a few things about me: am told that I am aloof or unapproachable, but I want you know that I am open to dialog and confrontation. I own my title as the Queen of Procrastination, slightly disorganized. I usually run pros and cons in my head without verbalizing, so some ideas seem 'out of the blue'. I tend to be truthful and to follow rules. I hope to do my best to support our chapter full of strong, intelligent, involved, and caring women.

I am looking forward to a fun and relaxed Kick-off on August 27 as we all reconnect and find out about those trips, family members, projects and how we can help kids. We are all needed for the strength and growth of our chapter, and I will do my part – with your help.

Take care – you are precious, Cathy F.

**AUGUST**

When my eyes are weeds,  
And my lips are petals, spinning  
Down the wind that has beginning  
Where the crumpled beeches start  
In a fringe of salty reeds;  
When my arms are elder-bushes,  
And the rangy lilac pushes  
Upward, upward through my heart;

Summer, do your worst!  
Light your tinsel moon, and call on  
Your performing stars to fall on  
Headlong through your paper sky;  
Nevermore shall I be cursed  
By a flushed and amorous slattern,  
With her dusty laces' pattern  
Trailing, as she straggles by.

Dorothy Parker

**Member Spotlight**  
*By Lynn Galvan*

Hello DKG Sisters,

I'm still looking for volunteers for the **Member Spotlight** section of the Rose Report. Several of our members have never been highlighted, and I hope you will consider being recognized in one of our future issues. So...

If you receive an email from me requesting that I'd like to highlight you for an upcoming issue, I hope you will "**Just Say Yes!**" to coin the words of our dear sister, **Donna Bessant**. If it's not a convenient time for you, I can put you down for later month.

Also, I'd be happy to write your bio, if you prefer, so all you have to do is send me the answers to the questions I send you and a picture of yourself, and I'll do the rest!

Thank you for your support with this project and I look forward to seeing you at our next meeting!

## RIF News

*Marsha Leadingham & Stephenie Meroney*

We are all looking forward to the new school year and, hopefully, to traditional RIF visits to our six RIF schools. If you have never volunteered to help on a RIF day, now's your chance. The day usually begins around 8:00 and ends at around noon. There are a few ways you can participate, as a stamper and/or reader which entails visiting a classroom for about 20 minutes, briefly talking about RIF to the primary students, and reading a book or two to the class. It really is a fun morning. Our six schools are Del Rey Woods, King Elementary, Ord Terrace, Crumpton, Marina Vista and Olson. You can request a particular school if you'd like. As soon as we know the dates for the visits, we can post them in the Rose Report. Please contact Stephenie or Marsha if you have any questions. Happy Reading!

## ROSTER UPDATE

*Sally Shafer-Harr*

The current Delta Lambda membership roster is included at the end of this Rose Report. Please check your information for any corrections or changes. If you have any changes or questions, please email them to Sally Shafer-Harr at [heartyharrs@sbcglobal.net](mailto:heartyharrs@sbcglobal.net) or call (831) 915-3222. Thank you!

## **A Heads UP - Reservations in “Post-Covid” Recovery**

*By Cathy Findley*

No one is confident that things “will return to normal”, and we all know that there are always changes in life, technology, language, clothing, etc. and there will always be a “new normal”.

One of the “new normals” with us already has to do with using restaurants. Basically, we need to confirm a final count (the guarantee) a week prior to the event and we have to pay for that guarantee. More attendees can come at the last minute, generally with no problem – there’s usually enough food and another chair can be added.

We can confirm (the guarantee) a smaller number than those who have responded ‘yes’. Usually, a last minute conflict takes away one or two people, but usually one or two find that they can attend at the last minute – and it’s a wash.

Another possibility is for us to pack a meal to take to a cancellation or for an attendee to pay and pack a meal to take home. The point is, if one is unable to attend, we still need to pay for the meal.

### **Meeting Reminder**

Just a reminder about our kickoff meeting which will be held on **Saturday, August 27<sup>th</sup>, 10 AM**, at **Whispering Pines Park** in Monterey. Carpooling is strongly encouraged. A designated driver will shuttle our members and guests into the park, or you can walk. The committee is providing salads, bread and dessert, or you can bring your own lunch. **Please bring your own plate, flatware, and napkin.** Contact Bonnie Yoshinobu at 831-915-9975 if you have any questions. Looking forward to seeing everyone on the 27<sup>th</sup>!

## What Does DKG Do with Your International Dues?

*By Cathy Findley*

At the June meeting, when looking at the budget, the question arose: “What does International do with our dues?”

As you know, our yearly dues are split into four parts, International, State, Area V and Delta Lambda. The following are the projects funded by the International portion (all applications are on-line)

Cornet Award – awards given for individuals for professional development and educational seminars.

Educational Projects – project grants open to non-members that support intercultural understanding, encourage excellence in education, assist w/ the educational institutions in support of improvement of education (some were highlighted in the Spring edition of DKG Collegiate)

Educator Award – Creates friendships across borders and promotes cultural understanding

Emergency Fund – for members who sustain major losses from natural disasters

ETH Leadership

– \$1000 made available to each conference to use toward paying an outstanding woman speaker who is not a member

- International Convention Speakers who are non-members
- Parliamentary training
- Transition Meetings for incoming international presidents

Golden Gift - offers professional life-changing leadership management seminars

International Speakers Fund – various aspects that contribute to Purpose I: Uniting women educators of the world

Scholarship Fund – as many as 31 scholarships are available

World Fellowship Fund – Scholarships and Grants made available through applications for study in the United States through the Institute of International Education (IIE) in the United States, which helps students with enrollment, visas, insurance and transportation and point them to scholarships and grants such as DKG

International Projects such as “Schools for Africa” and support for Early-Career Educators.
