Presidents' Message
By Nancy Howe & Nancy Henderson

Dear Sisters,
It looks like the COVID infections are on the decrease and we look forward to meeting again in person. The **Area V Conference**, on **March 26th**, is still planned to be held on Zoom. We hope you will join us. It's free to attend. The speaker is Lisa Mackenzie, Northern California Ambassador for the Jessie Lewis "Choosing Love" Movement.
We are looking forward to getting together at Hacienda on **April 9th** for our **Birthday meeting** and later at our end of the year meeting as a celebration of our new beginnings.
These last 2 years have been difficult for all of us. We have worked very hard to keep our group engaged and involved. Thank you to everyone who volunteered to serve on the board next year. We look forward to a wonderful new start.

RIF News

Marsha Leadingham & Stephenie Meroney

We are happy to report that our RIF schools are beginning to schedule their distribution days. Each school is choosing how they want the books to be distributed. We will be asking for volunteers to help with stamping and reading to classrooms. It is always an enjoyable morning and we highly recommend being a "RIF Lady". We are also waiting to hear from the national RIF program to let us know the status of our grant. This is a matching grant and it is because of the generous donations of our Delta Lambda sisters that we can apply for these funds. Thank You!

RIF Volunteers Needed

By Kathy Morgan

We need volunteers to help with RIF at **Foothill** on **Wednesday, April 6**. This will be a distribution like we have done in the past with reading in the classrooms and with children coming to pick out books. Volunteers need to be vaccinated and to arrive at Foothill at 8:00.

Please let us know if you can help out. Call Karen Crummey (831-624-4154) or Kathy Morgan (831-373-6728). Thank you.

New Teacher Recruitment Grants

By Betty Aynaga

It's that time again to nominate a prospective teacher you would like to see awarded with one of our local Delta Lambda Recruitment Grants. This grant targets worthy students who are currently enrolled in a teacher education program, such as student teachers, intern teachers, or full-time teachers who are seeking a supplemental credential to qualify for a position they are currently teaching.

These grants are not intended for teachers who are in a full-time teaching position, unless they fulfill the requirements mentioned above.

The final due date for the grant applicants to turn in their application is **Wednesday, April 20** by 5:00 p.m. This is a competitive process and candidates will be chosen by the Grants and Awards Committee and invited to attend our June meeting where they will be presented with their award.

If you would like to nominate a candidate, please have her complete the form on the next page. If you any have questions, please contact Betty Aynaga at nagabay54@gmail.com or call/text (831) 869-8849.

Spread a Little Sunshine

By Char Lowery

Dear Delta Lambda Sisters,

As your Sunshine Lady, it is my happy task to send out birthday cards as you each celebrate another year around the sun. This is easy because I have a list of dates...NOT years! (So your secret is safe!) What is difficult is knowing when members might need a little sunshine due to illness, hospitalizations, surgeries, or other medical misfortune. Or perhaps they may be going through a rough patch in other ways. So if you know of a member who would appreciate a card and some words of support, please let me know via an email, text or phone call and I will get a card off to them. Along with their name, please let me know the general nature of their situation. Thank you for your help with this.

Best to you all,
Char Lowery
