## Presidents' Message

Happy New Year One and All! As we reflect on just a few of the accomplishments of 2017, we applaud the contributions to RIF and the time provided by members to assure that our title one schools received books and story time. Contributions to Girl's Inc. enabled two young women to attend leadership training at CSUMB and four new teachers in MPUSD were awarded scholarships to pursue educational endeavors. We celebrated our 60<sup>th</sup> birthday and were inspired by speakers, Mary Marchi and Dorothy Becker, who have given fifty years of service to DKG.

We will soon celebrate our 61<sup>st</sup> birthday on January 27<sup>th</sup>, the first Delta Lambda event of 2018. Members and Guests will participate in our silent auction, the biggest fund raiser of the year. Other events to look forward to include a book talk by local author, John Greenwald, a tour of "Julie Morgan's" Asilomar and the nomination of new members to Delta Lambda. Several of us will attend the Chi State conference in Irvine in May and welcome a newly elected Board in June.

We anticipate a great 2018 for our Delta Lambda Chapter.

# We Will Miss Our Sunshine Lady

## Carolyn Palmer

We lost a dear friend and DKG sister just before the Christmas holidays. Carolyn will be remembered as a teacher who cared deeply about her students. She formed friendships with many of those students that remained until her recent passing. She expressed the qualities of kindness, selfless caring, and a gentle good humor that endeared her to all who knew her. She was active in DKG on various committees as well as being our Sunshine Lady for many years. She will be remembered with deep affection.

## Delta Lambda Longevity Pins

We are proud to announce that six of our sisters earned longevity pins in 2017. For those in attendance, the pins were awarded at the December Holiday meeting. These pins are awarded for every ten years of membership in our organization. A ten year pin was earned by Sally Eastham, thirty year pin by Kathryn Knauf, forty year pins by Katie Kelly and Corrine Long, and fifty year pins by Dorothy Becker and Mary Marchi.

DKG offers many kinds of pins that can be individually acquired. I will have order forms available at each meeting if you want to look over the choices and make a selection. If you have any questions, please refer them to Marilynn Whitcomb, membership chairperson.

## DKG California Support Team for Emerging Professionals (ST<sup>4</sup>EP)

### Teachers Helping Another Teacher (THAT) Program

#### Guidelines

##### What is THAT?

The Teachers Helping Another Teacher (THAT) Program was created in 2006 to assist classroom teachers. Members provide this service to fellow educators to support them and to stay connected with the field. Volunteer work is done primarily in areas that have direct positive impact on educators. Area Directors and/or designees are responsible for informing the members of:

- The process for online reporting
- Examples of volunteer activities which qualify for both working and non-working professionals

##### What is the Process?

Individual chapter members enter volunteer hours regularly. The annual THAT report at the annual DKG California Convention is based on the total hours submitted by April 1.

All hours are reported electronically. The online data submission is a “3-click” system:

1. Click <http://tinyurl.com/thatreport>, access it on the DKG California website or scan the QR code.
2. Fill in the blank boxes with the basic information, including total volunteer hours.
3. Click “SUBMIT.” A confirmation page appears to confirm the submission of data.

Area Directors and/or designees monitor the data by accessing the database online.

##### How Can a Working Professional Participate in THAT?

The following types of activities are examples for working professionals:

- Tutoring students outside of any contract hours
- Collaborating with colleagues outside of contract hours
- Serving as a club advisor that is not part of job description or contractual obligation
- Unpaid professional support provided to a colleague on one’s personal time
- Any activity that will discontinue without your willingness to do it without compensation

##### How Can a Non-Working Professional Participate in THAT?

The following types of activities are examples for non-working professionals:

- Working directly with students of any age group in a classroom capacity
- Serving as a testing proctor
- Supporting a professional colleague in carrying out their responsibilities (i.e. planning, evaluations, procedures, grading, bulletin boards)
- Assisting with music, arts, science, math, and technology projects and activities
- Chaperoning on a field trip, a sports activity, or a school event
- Serving as a docent for student tour groups
- Peer-coaching
- Community service to improve education (i.e. teaching adult English classes, SAT courses)

##### What Activities Cannot Be Included?

- Working with Boy Scouts/Girl Scouts
- Teaching Sunday School
- Working at Charity Thrift Shops
- Volunteer service to other organizations
