## Presidents' Message

As I am sure many of you know, we had a terrifically fun time having lunch at Del Mesa, then the voting meeting followed by Contra Dancing, accompanied by the Old Town Quintet. In Contra Dancing, there is a caller as in square dancing, and you simply follow along, wearing comfortable clothing and a smile. No previous instruction or experience was required. Much thanks to the committee, headed by Dorothy Becker and Vanessa Bredthauer and to Cathy Findley for arranging to have the Quintet come and teach us.

We also had the opportunity to vote on 3 potential new members with one possible re-admission. You will be kept apprised of the results of pending orientation and initiation for these potential members.

I hope you are all looking forward to our next gathering, which will be on April 27. We will be going to the Monterey Museum of Art, then out to lunch. See more details in the Reminder below and in the next Evite.

In the mean time, we wish you a happy spring, with perhaps less rain and more sun.

Bonnie and Ginny

## Our April Adventure Meeting

On Saturday, April 27, we meet first at Monterey Museum of Art at 559 Pacific Street and tour the Museum and the David Hockney's Yosemite Exhibition. Museum Docents and Delta Lambda members Betty Aynaga and Ellen Maupin will lead the tour at 10:30 (before the museum opens).

After that we will meet at the salad bar lunch in the private meeting room at Crazy Horse Restaurant located at the corner of Munras and Soledad. Lunch is \$25.

In celebration of Poetry Month, a member of PG high's Poetry Out Loud Club will perform a poem.

**\*\*Please respond to the Evite - don't forget to click the "Details" box for important information.\*\***

## New Teacher Recruitment Grants

It is that time again to nominate a prospective teacher you would like to see awarded with one of our local Delta Lambda Recruitment Grants. This grant targets worthy students who are currently enrolled in a teacher education program, such as students teachers, intern teachers, or full-time teachers who are seeking a supplemental credential to qualify for a position they are currently teaching.

These grants are not intended for teachers who are in a full-time teaching position, unless they fulfill the requirement mentioned above.

The final due date for the grant applicants to turn in their application is Thursday, April 25 by 5:00pm. Grant recipients will be chosen by the Grants and Awards Committee and invited to attend our June meeting where they will be presented their award.

If you would like to nominate a candidate, or have questions, please contact Marilyn Whitcomb at [mmwhitcomb@sbcglobal.net](mailto:mmwhitcomb@sbcglobal.net) or call/text (831) 238-5777, and she will provide the necessary information and forms for the application process.

## Update on Reviving a Funsters Type of Gathering

We continue to have some interest in gathering DKG ladies together for lunch or other outings, once known as Funsters. However, it has become challenging to find one individual willing to organize and nudge others to participate on a regular basis. The suggestion has been made that we simply allow any DKG member to organize a meal or an outing. Ginny Hall has graciously offered to then send out the information to the membership with the organizer's contact information, with the date, time, and other particulars about the event. After the information has been disseminated, women who are interested in participating are urged to contact that original organizer (NOT Ginny) to let her know of their desire to take part in the meal or activity. The organizer will take it from there. There is no need for decorations, party favors, or a report.

On February 27, 2019, the staff, students, and PTA at Robert Down School honored the memory of Jennifer Hinton by dedicating and naming the playground as a lasting memorial. Jen Hinton was a much beloved physical education teacher at Robert Down School in Pacific Grove. She gave her students guidance with patience and compassion. She taught them respect for others.

# DKG International Gatherings

The structure of the DKG International annual gatherings has changed a bit. Even numbered years is a **CONVENTION**, which means that pertinent society business will be conducted and international officers elected and installed. In odd years, DKG Conferences hosts regional **CONFERENCES** which are designed to focus on personal and professional growth and education.

This year, there are 5 regional conferences, each with a particular theme. All members of DKG are eligible to attend any conference of their choice:

June 27-29,	Asheville, North Carolina	Arts and Humanities
July 10-12	Des Moines, Iowa	Leadership
<b>July 17-20</b>	<b>Costa Mesa, CA</b>	<b>Technology Leadership training for state officers in Asia, Mexico, South America. Spanish and Japanese volunteers are greatly needed</b>
July 25-27	Reykjavik, Iceland	Professional Research and Practices
July 30-Aug. 1	Mahantucket, CT	Global Awareness

Costa Mesa is, of course, the closest venue for us, and volunteers are needed for a variety of tasks. Training for the foreign leaders actually takes place on the 15<sup>th</sup> and 16<sup>th</sup>.

It would be wonderful to see other local people take part in this stimulating week with dynamic Key Women Educators. For details and more information, go to the DKG.Org website (International, not DKGCA)

## Girls Inc is coming to Monterey!

I am a new member of the Board of Directors for Girls Inc. of the Central Coast. We cover Monterey, Santa Cruz, And San Benito Counties and are expanding rapidly. I just found out that Girls inc. is finally coming to Monterey next year. They are looking for sources of funding and supporters. There will be a luncheon at Corral De Tierra Country Club on April 12th from 11:30 a.m-1:00 p.m. Some of you have attended these luncheons before and may be attending this one. There is no cost, you just need to make a reservation. They have some of the participants speak and lots of information about Girls Inc. I have been asked to invite people who might be interested in supporting this fantastic program and I thought of your chapter. There is a great need in the peninsula cities for girls to be mentored to plan their futures, become leaders and become comfortable with public speaking. This program provides guidance for all girls, not just those impacted by poverty, but those who need help and guidance in planning a successful future.

If you are interested, please feel free to contact me at this email or my cell (831) 809-1637. I'd love for some of you to join me at the luncheon. **Anita McKean** <[anitamckean67@yahoo.com](mailto:anitamckean67@yahoo.com)>

## **Teachers Helping Another Teacher (THAT) Program Guidelines**

### **What is THAT?**

The **Teachers Helping Another Teacher (THAT)** Program was created in 2006 to assist classroom teachers. Members provide this service to fellow educators to support them and to stay connected with the field. Volunteer work is done primarily in areas that have direct positive impact on educators. Area Directors and/or designees are responsible for informing the members of:

- The process for online reporting
- Examples of volunteer activities which qualify for both working and non-working professionals

### **What is the Process?**

Individual chapter members enter volunteer hours regularly. The annual **THAT** report at the annual DKG California Convention is based on the total hours submitted by **April 1**. All hours are reportedly electronically. The online data submission is a “3-click” system:

1. Google “DKG California – Home”
2. Scroll down the page to the “Clock Face” and click on the red **THAT (Hours Reporting)**. This will take you to “THAT Volunteer Hours Reporting for Individual Member”.
3. Complete the reporting form and submit.

Your entries are automatically time stamped. Hours may be submitted as frequently as you wish.

### **How Can a Working Professional Participate in THAT?**

The following types of activities are examples for working professionals:

- Tutoring students outside of any contract hours
- Collaborating with colleagues outside of contract hours
- Serving as a club advisor that is not part of job description or contractual obligation
- Unpaid professional support provide to a colleague on one’s personal time
- Any activity that will discontinue without your willingness to do it without compensation

### **How Can a Non-Working Professional Participate in THAT?**

The following types of activities are examples for non-working professionals:

- Working directly with students of any age group in a classroom capacity
- Serving as testing proctor
- Supporting a professional colleague in carrying out their responsibilities (i.e. planning, evaluations, procedures, grading, bulletin boards)
- Assisting with music, arts, science, math, and technology projects and activities
- Chaperoning on a field trip, a sports activity, or a school event
- Serving as a docent for student tour groups
- Peer coaching
- Community service to improve education (i.e. teaching adult English classes, SAT courses)

### **What Activities Cannot Be Included?**

- Working with Boy Scouts/Girl Scouts
- Teaching Sunday School
- Working at Charity Thrift Shops
- Volunteer service to other organizations
