Presidents' Message

Dear DKG sisters ~

We wish you all warm holiday wishes, hoping for happy family gatherings, sufficient time to shop, cook, decorate, wrap, and attend our holiday party on December 15. The key ingredient for these activities must be JOY!

In early November, the conference for Area V was held, and a number of our Delta Lambda members were able to attend and hear a young teacher address the problem of cyber bullying, which I found to be quite helpful. If you are aware of a child in your family or classroom who is experiencing this hateful behavior, there are lots of resources available to help. I've made a list, if you are interested.

This is a perfect time for us to pause and reflect upon how much our organization, individually and collectively, is contributing good to our local community and our country at large. We work to further literacy, provide support and validation for young women, and support one another in our various endeavors.

Our warm, good wishes for happy holidays,

Bonnie and Ginny

RIF News

The first distribution at our RIF schools is complete. The students were delighted with their choices. We want to thank Donna and Ann for selecting such wonderful books. We are looking forward to our second visits. Please let Marsha or Stephenie know if you would like to volunteer as a reader or stamper. We are usually done by noon and you can get your “kid fix” as you help to support RIF.
