## Presidents' Message

As one of my favorite Bob Dylan songs goes: “the times they are a-changin’”. At first gradually, and then suddenly you know Summer has changed to Autumn. That absence of early morning light takes getting used to.

There are some changes in Delta Lambda, too. The Roster has been sent out with new member additions and status changes, along with the realization that changin’ times necessitates being guarded about our members’ privacy. Use of our emails, for instance, can only be for DKG and Delta Lambda sanctioned and sponsored business – however good the cause. Webmaster, Mary Marchi, has changed [deltalambdachapter.weebly.com](http://deltalambdachapter.weebly.com) to sustain our privacy.

Another change is to the THAT Program (Teachers Helping Another Teacher). Of course we still want you to keep track of your helping hours, which will be submitted by April 1. But Diane Butler and Suzanne Siegelman are introducing another dimension to traditional THAT: retired Delta Lambda members providing a helping hand to active Delta Lambda members. Diane and Suzanne just need “Actives” to make a list of what help they’d like, ie correcting papers, reading to students, preparing materials; and “Retireds” to identify who they’d like to help. Be watching for Diane and Suzanne’s information about this...and THAT.

Lastly, the entire Board is going to start taking pictures of our events – something I did not do at Bunco. We had a nice Bunco evening as usual, but no pics to show; thank you to JoDee, Anna and their committee for providing the fun and profit for RIF. Additionally, we would like an Historian to gather evidence of Delta Lambda activities (pictures) to put into a book. If this is something you’ve always wanted to learn, or if you enjoy archiving, let me know and the Historian you will be.

I’m looking forward to seeing many of you at the Asilomar Tour and Lunch on Saturday, November 1<sup>st</sup>.

Gail

# Meet the Board Members

## Suzanne Siegelman

I was born in Monterey, but over the course of my life as a military brat and spouse to a government proposal preparation consultant, I have moved more times than I can count. Now that David and I are retired, we decided that Monterey was the best place in the world to retire.

I received my teaching credential at Cal State Fullerton and my Masters in Education at the University of Arizona. I started teaching in 1972 and continued until my 2010 retirement. I also had a few opportunities along the way to work in jobs outside public education, but still in the educational field. My very favorite grade to teach was always fourth grade. While I taught for MPUSD at Marina Vista, I was able to take my students on wonderful field trips to the Cooper Hands-on Programs, San Juan Bautista, Elkhorn Slough, PG Natural History Museum, and the Maritime Museum due to the support of my principal and our fellow DKG member, Gayle Paul.

Although I very much miss the classroom, as a volunteer at the PG Natural History Museum, I can continue to enjoy kids creatively learning about Monarch butterflies, Ohlone culture, geology, predators and prey, local birds, and much more. If any of you enjoy volunteering, please join us at the Museum. The staff and volunteers at the museum are friendly, enthusiastic, and inventive and what I appreciate most is that they reach out to all schools and provide scholarships for schools with limited field trip funds.

I am happy to join Diane Butler in establishing a THAT (Teachers Helping Another Teacher) Program. Our goal is that retired members will reach out to our actively teaching DKG members to reduce their workload and support them in their classrooms. We hope that many of you will join us in this mission.

# A Fun Bunco Evening

Our Bunco fundraiser was held September 26th at the House of the Four Winds. We would like to thank our fearless committee chairpersons, Anna Panetta and JoDee Krebs, and their committee; Corinne Long, Kathryn Lawrence, Ann Ostenso, Mickey Tachibana, Erika Arquilla, Mickey Miyamoto, Haze Braudrick, and Stephenie Meroney. Although the turnout was not as high as in the past, those there had a great time and funds were made! We had ample food, thanks to Corinne and the rest of the committee, and plenty of wine donated by Karen and Fred Crummey! Kristin Searle manned the bar, pouring wine and serving water and soft drinks. In place of a raffle, Anna created packages of chocolates topped with \$5.00, and beautiful baskets for the most wins, most Buncos, and a booby prize for most losses. It was a fun- filled evening!

## Holiday Meeting

We will meet at the First Presbyterian Church in Monterey on Saturday, December 6 at 10:30 am for a Program on Women and Homelessness facilitated by Rev. Katie Day and Father Michael Reed.

Everyone is encouraged to bring gently used clothing as well as hygiene products.

Leslie Geyer has been involved in helping out with this program and will also accept clothing at her home. Also, if people wish to contribute before December 6, they can drop items off at the San Carlos Hall, across from San Carlos Cathedral, on Tuesday mornings between 10:00 and 10:30 am.

## New T.H.A.T Program

We are encouraging retired members to contact Suzanne Siegelman or myself if they want to be a big sister and help a classroom teacher or even a DKG principal. Please see the two attachments to this Rose Report.

Attachment 1 explains the T.H.A.T. program. It tells our members to keep a record of their helpful service and then to report their hours to Suzanne or myself. (Info. is on the page.)

Attachment 2 is a checklist worksheet to be used by any DKG member who might wish to telephone a classroom teacher for the purpose of finding out HOW THEY CAN BE OF SERVICE.

# A Promising Year for RIF

We have finally gotten the word from the National RIF regarding the amount of funds we will receive from the Macy's Be Book Smart Campaign. Our allocation of funds is **\$9484.00**. If we add in the **\$5000** we received earlier, that is **\$14,484** from this summer's campaign. This amount will purchase **7,242 books** for our RIF program, since all the books are only \$2 each. That is a lot of books to give to our students. **Thank you, Macy's!**

Del Rey Woods has already had its first distribution this fall. The dates for the RIF schools still ahead are: **King on October 20, Crumpton on October 20, Ord Terrace on November 7, Highland on November 10, and Marina Vista on November 20**. If you would like to volunteer at one of these schools, please call one of the coordinators on the list.

If you are new to DKG and do not know what is involved in volunteering for RIF, we are including some of the responsibilities of volunteering.

- A volunteer will read to the classes of students in K – 3. There is a possibility that you will be reading to as many as four different classes of students.
- You may also be asked to help with the distribution of free books to students in K-5. Or you may be asked to stamp the individual books chosen by the students with the RIF stamp. At the end you will be helping by counting the books remaining and putting them back in the storage area.
- You may bring your own books to read, or you may choose books from the tables of free books.
- The hours you will be volunteering vary from school to school, but usually you will need to be at a school by 8 am to 8:15 am. You will be at the school until approximately 11 am, or a bit later. Ask the coordinator about the times when you call to volunteer.
- The students are so enthusiastic, and volunteering to help with RIF is an absolute joy.
- Call a coordinator, sign up for RIF, and get involved with a really great program!

**Our retired-teacher-members now have more opportunities to help our active-teacher-members. Chi State members can provide T.H.A.T. assistance in these five (5) focus areas on the worksheet below.** *(You may print this page if it helps you record your hours.)*
