### Presidents' Message

Welcome back to another exciting year with DKG. We had a beautiful evening at our first meeting at the Markham Ranch Clubhouse. Thank you to Carole Johnson and the Kick-Off Meeting Committee (and Jeff, Carole's husband!) for the delicious snacks, dinner, and desserts! With the warm weather, some of our members were able to eat outside after the information-packed meeting.

We now have a new Member-at-Large who will be helping with the business of the board. Thank you, Bonnie Yoshinobu.

We welcomed one of our new initiates (we have 6), Kathey Felt, and thanked her for becoming involved and serving on this first committee of the year. The other initiates were unable to attend as they are "non-retired teachers" and were attending their Back-To-School Nights at their schools!

Special thanks go to Kathy Caves and Sherry Pettit for organizing this year's program and getting it off and running! Again, join us as we bring prospective members to meetings (except March, the voting meeting) to acquaint them with our society.

A big thank you to Marilyn Higbie, Bette Hinton, and the Finance Committee for the proposed budget for the 2013-2014 year. Also, congratulations for balancing the books "to the penny!"

For our retired members, you may wish to help out with RIF and/or help with working teachers in the classroom (THAT). Don't forget to keep track of your THAT hours and send them to Ginny Hall before December 1st.

Mary Marchi has established and continues to maintain our very own website and encourages all of us to visit at: [deltalambdachapter.weebly.com](http://deltalambdachapter.weebly.com). Let's all visit our website on a regular basis -- there's so much to learn!

JoDee Krebs and Anna Panetta reminded us about our evening for Bunco on September 27th at 6:00 p.m. This is our first fundraiser and we look forward to seeing all of our members at this event. If you have never played Bunco, you are in for a real treat! And, don't forget, we will have dinner, beverages, and prizes, prizes, prizes, as well.

A great way to get to know your fellow sisters is to become an involved member. The Area V Conference will be held at the Monterey Elks Club on October 19th beginning at 9:30 a.m. We hope you will attend! It is a great way to interact with other chapters in our locale.

We appreciate everything you all do to make us the great chapter that we are!!!

Linda Foy and Kristin Searle

## Corinne Long

I was born and raised in a German-American community in New York City, After college, I began teaching first grade on Long Island, entered a graduate school education program and got married.

As a military wife, I lived and taught various grade levels in numerous communities in the United States and Europe.

During my husband's tours in Viet Nam my daughters and I lived on the Monterey Peninsula and I began teaching ,as a reading specialist, for the MPUSD.

After my husband's death and my remarriage we built a home in a semi-rural area of Corral de Tierra with much sunshine and many creatures.

Since my 1995 MPUSD retirement I have been active at Chamisal, a tennis and health spa. volunteering with several organizations and learning to play bridge. Retirement has been enjoyable, rewarding, and very satisfying for me.

Corinne Long

## Bonnie Yoshinobu

I was born in Teaneck, New Jersey, though I never spent time there. I grew up in a variety of different states, because after my father finished his college degree, he joined the Air Force, and we became a military family, moving regularly. My happiest memories of childhood were in the small western town of Mountain Home, Idaho where I dreamt of one day becoming a horse. You may have discerned that this dream has not been realized.

I finished high school in Knob Noster, Missouri where I did little to distinguish myself academically or athletically, but have happy memories of thriving in a small school. I attended two different colleges in Missouri, then moved to Boston and did secretarial work for almost two years. While there, I made friends with other young women who all decided to travel and work abroad. I got a job in Sweden, where I worked as a housekeeper for one year, during which time I attended Swedish classes. During my second year there, I became a nanny for a three year old girl. The requirement for this job was that I only speak Swedish, never English. It was during this time that I learned two things: first, I enjoyed spending time with children, and second, I needed to accept with humility that my three year old charge would correct my pronunciation with regularity.

After two years in Sweden, I returned to the US. I came to California to visit a friend and decided to get a teaching credential. Prior to teaching full time with MPUSD, I worked as an adult school teacher, was a clerk in the personnel department, and substitute taught. I then taught elementary school for 34 years, half of that time as a reading specialist.

I married another teacher, Rei, in 1981, and we had a son seven years later. I have found lots to keep me busy in retirement and am enjoying new friendships and activities in DKG.

## Just another reminder

**Delta Kappa Gamma Dues** for the 2013-2014 year are now due. Reserve members dues are \$35 and regular member dues are \$95, if received before September 15th (checks may be dated 10/1/13). Regular member dues received after 9/15 are \$100 which reflects the Chi State dues increase.

Checks mailed after 9/10 should be mailed to: Bette Hinton, 26405 Birch Place, Carmel 93923

Thank you for taking time to pay your dues. For all of you that have already paid your dues, a big "Hooray!" And thank you.

Marilyn Higbie

## Reading Is Fundamental

Reading Is Fundamental received a very generous anonymous gift of \$1000. This will make it possible for us to buy approximately 400 books for our RIF students. Thank you, thank you whoever you are!

We received a check for \$500 from the local Kappa Kappa Gamma sorority alumnae group. Literacy is their focus.

A book order from Scholastic in the amount of \$4127.38 was received and distributed to six schools.

Another order will be made when we receive the money from the Macy's /SHARE program in October.

## In memory of Jean Littlepage

Our dear friend and mentor, Jean Littlepage died on September 9<sup>th</sup> surrounded by her two lovely and talented daughters, Layne and Jannie, and other family members. She was unsurpassed in bringing the love of books and reading to children (and adults) during her long career as a school librarian. She was a member of Delta Lambda for over 30 years and gave up her active membership when her hearing made it difficult to attend meetings and large gatherings. She made many donations to our RIF project in lieu of attending dinners and lunches. Her quiet and gentle sense of humor will be greatly missed.

## International Souper Supper

5:30pm, Wednesday, October 23  
Pebble Beach Community Room

Chairpersons:

Linda Brandewie and Kathy Knight

Speaker: Wendy and Dave Banks

## Member News

Wishes for a speedy recovery to Wendy Milligan who recently had hip surgery.

Ginny Hall's father father, Robert Derr, died on July 16.

The Girls Inc Afternoon of Wine and Chocolate took place on a gorgeous day. The fairytale tents sheltered a variety of food, wines from many wineries and great music by the Muddy River Band. The silent auction had lots to tempt a bid. Ellen Maupin, Gayle Paul, and Karen Crummey say, "Don't miss this excellent fundraiser next year."

## Delta Lambda Welcomes New Teachers

To kick off the 2013-2014 school year a total of over 50 new teachers were welcomed to the Monterey Peninsula, Carmel, and Pacific Grove unified school districts with a gift on behalf of our local Delta Kappa Gamma organization.

A delicious breakfast was also provided to nearly 40 new teachers of the Monterey Peninsula Unified School District. Delta Lambda chapter co-president Linda Foy and co-vice president Kathy Caves helped support the wonderful committee who put the breakfast together. Many thanks go to the committee comprised of Marilyn Whitcomb, Suzanne Siegelman, Camille Liscinsky, Mickey Miyamoto, Betty Ann Campbell, Vanessa Bredthauer, Char Lowery, and Claudia Coury.

## Kick Off Meeting

We had another lovely time at the Markham Ranch Clubhouse: the meeting was informative, the weather was beautiful, the food was delicious, and the company was vivacious.

Hayes Braudick and Katie Kelley share items special to their life.

Mary Marchi and Dorothy Becker who held leadership positions for many years get to sit back and relax .

The co-vice presidents, Kathy Caves and Sherry Pettite, and the co-presidents, Linda Foy and Kristin Searle, led a very informative meeting.

I would like to thank my committee for all their efforts in making our first meeting of the year such a success! The food and decorations were wonderful and enjoyed by all. Thanks goes out to Wendy Banks, Kathey Felt, Ginny Hall, Adrienne Jensen, Kim Jimenez, Gayle Paul, Alice Stoll and Marilynn Whitcomb. Thank you also goes to Kathy Caves, Linda Foy, Sharon Pettitt and Kristin Searle for all their help and support with this special event. And...special "kudos" to Nancy Durein for the attractive E-vite. Together these ladies helped to start out the 2013-14 year in grand style!
